

**High-Quality Innovative**

# ABOUT US

## FACTORY STRENGTH

Founded in September 2002, our company has dedicated two decades to specializing in the seasonal appliance industry.

We integrate mold development for sheet metal parts, product R&D, manufacturing, processing, and sales into a comprehensive operation.

With a production area of 17,000 square meters and a workforce of over 200 employees, We are a distinguished supplier to renowned domestic clients such as Airmate, Bear, Haier, and Westinghouse.

Our products hold multiple domestic and international certifications, Management System. At Baopeng, we believe survival depends on quality and growth springs from innovation. Upholding quality as our absolute red line, we are committed to providing customers with safe and satisfactory products.

# Cozy Comfort, Elegant Design

Realistic 3D Flame Effect Instant Warmth for Any Room  
Stylish Retro Aesthetic  
Portable & Convenient

Portable & Versatile. Carry Anywhere Comfort  
Tabletop Heater. Cozy Night Companion

- Power: 1800W/800W
- PTC heating
- 3D Flame
- Automatic power-off when tilted
- Material: Flame-retardant PP/Nylon 66

## HPT-2213

High Tower Fake Carbon Heater

- 220V/2200W
- PTC heating element
- Simulated flame fake carbon effect
- One cool air setting, two warm air temperature control settings
- Temperature adjustment range: 15-35°C
- Energy-saving mode: automatically switches power after reaching set temperature
- Timer: 24 hours
- Child lock
- Screen display
- Plasma purification function to quietly improve air quality
- Unit color optional, decorative ring electroplated rose gold
- Ultra-thin remote control
- Single box yellow carton, passes 1-meter drop test
- Material: Flame-retardant ABS/nylon 66

| G.W/N.W(kg) | Product Size(mm) | Package Size(mm) |
|-------------|------------------|------------------|
| 4/3.3       | 295*295*780      | 205*215*840      |

## HPT-2212

High Tower Humidifying Heater

- 220V/2200W
- PTC heating element
- Cool/warm color humidifying flame effect
- 220ml humidifying tank provides over 5 hours of humidification
- Auto-stop when water runs out
- One cool air setting, two warm air temperature control settings
- Temperature adjustment range: 15-35°C
- Energy-saving mode: automatically switches power after reaching set temperature
- Timer: 24 hours
- Child lock
- Screen display
- Plasma purification function
- Unit color optional, decorative ring electroplated rose gold
- Ultra-thin remote control
- Single box yellow carton, passes 1-meter drop test
- Material: Flame-retardant ABS/Nylon 66

| G.W/N.W(kg) | Product Size(mm) | Package Size(mm) |
|-------------|------------------|------------------|
| 4.9/4       | 295*295*830      | 205*215*870      |

## HPT-2208

Mid Tower Fake Carbon Heater

- 220V/2200W
- Simulated flame
- Ultra-slim remote control
- One cool air setting, two warm air temperature control settings
- Temperature adjustment range: 15-35°C
- Energy-saving mode: automatically switches power after reaching set temperature
- Timer: 24 hours
- Child lock
- Display screen function
- Negative ion purification – quietly improves air quality
- Unit color optional, decorative ring electroplated rose gold
- Graphene PTC heating element for faster heating
- Single box yellow carton, passes 1-meter drop test
- Material: ABS/PP

| G.W/N.W(kg) | Product Size(mm) | Package Size(mm) |
|-------------|------------------|------------------|
| 2.5/2       | 230*230*655      | 675*175*180      |

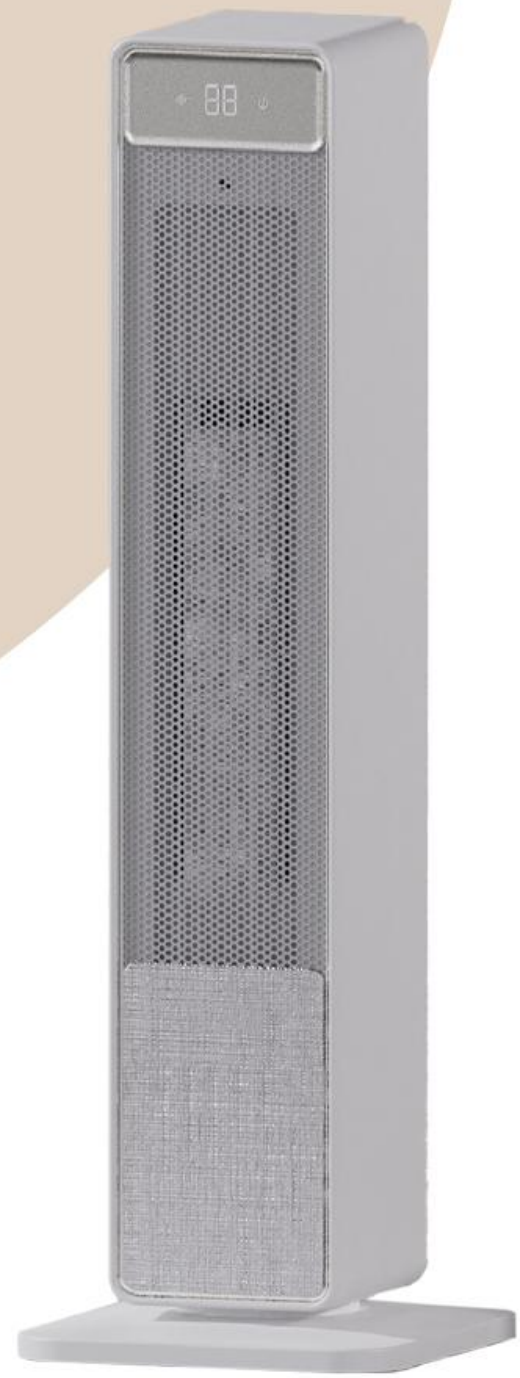

## HP21-SR115

Fireplace Heater

- 220V/50Hz
- Power: 2100W
- PTC heating element
- Electronic operation
- Remote control
- Simulated flame effect
- Material: ABS/PP

| G.W/N.W(kg) | Product Size(mm) | Package Size(mm) |
|-------------|------------------|------------------|
| 4.95/4.05   | 250*250*836      | 295*220*875      |

## HPT-2012

Mid Tower Fake Carbon Heater

- Power: 2000W
- PTC heating element
- Electronic version (with remote control) with carbon flame effect
- 3 temperature control settings
- Timer: 7 hours
- Wide-angle oscillation
- Child lock
- Single fan
- Flame-retardant
- Tip-over protection
- Negative ion purification
- Material: PC/PP

| G.W/N.W(kg) | Product Size(mm) | Package Size(mm) |
|-------------|------------------|------------------|
| 2.8/2.2     | 209*219*602      | 182*200*660      |

## TJX-220B

Graphene Baseboard Heater

- Power: 2200W
- Timer: 15 hours
- 3D flame humidification atomization
- Child lock
- Temperature adjustment range: 18-35°C
- High and low levels free adjustment
- Negative ions
- 60-second screen-off
- Automatic power-off when tilted
- Surface: Aluminum alloy

| G.W/N.W(kg) | Product Size(mm) | Package Size(mm) |
|-------------|------------------|------------------|
| 7.3/5.5     | 1120*180*260     | 1180*205*260     |

## HPT-2203

Mid Tower Humidifying Heater

- 220V/2200W
- PTC heating element
- Auto-reset thermostat
- Power cord exposed ≥1.5m
- Temperature adjustment range: 15-35°C
- With humidification and flame effect: orange flame when heating, ice blue flame when cooling
- Remote control
- Water tank 220ml, auto-stop when water runs out
- Packaging: foam inserts, AB corrugated carton
- Material: PC/PP

| G.W/N.W(kg) | Product Size(mm) | Package Size(mm) |
|-------------|------------------|------------------|
| 3.5/2.5     | 200*200*610      | 645*185*175      |

## TJX-2201A

3D Flame Graphene Baseboard Heater

- Power: 2200W
- Touchable screen
- Timer: 15 hours
- 3D flame humidification atomization
- Child lock
- Temperature adjustment range: 18-35°C
- High and low levels free adjustment
- Negative ions
- 60-second screen-off
- Automatic power-off when tilted
- Surface: Aluminum alloy

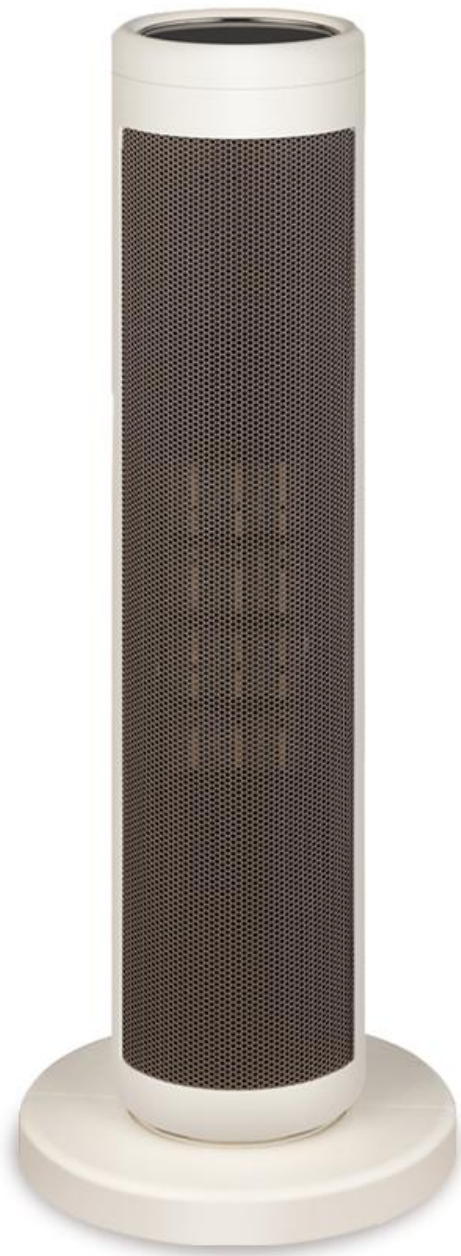

| G.W/N.W(kg) | Product Size(mm) | Package Size(mm) |
|-------------|------------------|------------------|
| 7.3/5.5     | 1100*160*230     | 1132*220*255     |

- 220V/50Hz
- Power: 1900W
- PTC heating element
- Touch electronic
- Remote control
- Mode: Normal/ECO
- Scheduled start function
- Timer: 24 hours
- Child lock
- Left/right oscillation
- Metal thermal protection
- Material: ABS/PP

| G.W/N.W(kg) | Product Size(mm) | Package Size(mm) |
|-------------|------------------|------------------|
| 2.85/2.35   | 240*240*653      | 685*170*173      |

**DNQ-E20P1**  
Floor Heater

- 220V/50Hz
- Power: 2100W
- PTC heating element
- Touch electronic
- Remote control
- Mode: Normal/ECO/Sleep
- Scheduled start function
- Timer: 24 hours
- Child lock
- Left/right oscillation
- Metal thermal protection
- Material: ABS/PP

| G.W/N.W(kg) | Product Size(mm) | Package Size(mm) |

| Package Size(mm) |
| 220*195*575      |

## PTC-2019C

Mid Tower Electronic Heater

- 220V/50Hz
- Power: 2000W
- PTC heating element
- Air Speed: 5.8 M/S
- Temperature adjustment range: 15-38°C
- Timer: 12 hours
- Settings: Fan/Low heat/High heat
- Overheat protection
- Tip-over switch
- Material: Flame-retardant PP+ABS

|                       |
|-----------------------|
| Height(mm)            |
| 620                   |
| Base Diameter(mm)     |
| 300                   |
| G.W/N.W(kg)           |
| 2.4/2.2               |
| Carton Size(mm)       |
| 420*385*655 (4 units) |
| Package Size(mm)      |
| 202*185*635           |

## HPT-1804

Bladeless Heater

- 220V/2200W
- PTC heating element
- Cool/warm color humidifying flame effect
- 220ml humidifying tank provides over 5 hours of humidification, auto-stop when water runs out
- Two cool air settings, two warm air settings
- Temperature adjustment range: 15-35°C
- Energy-saving mode: automatically switches power after reaching set temperature
- Timer: 24 hours
- Child lock
- Screen display function
- Negative ion purification function
- HEPA filter level 11
- Unit color optional (painting dark colors for extra cost)
- Decorative ring electroplated rose gold
- Single box yellow carton, passes 1-meter drop test
- Material: Flame-retardant ABS/nylon 66

|             |                  |                  |

**MPN-DG2003**  
PTC Electronic Fan Heater

- 220V/50Hz
- Power: 2000W/1200W
- PTC heating element
- Mechanical
- With towel rack
- Overheat protection
- Suitable for bathroom and living room

| G.W/N.W(kg) | Product Size(mm) | Package Size(mm) |
|-------------|------------------|------------------|
| 2.6/2.16    | 350*230*150      | 393*178*280      |

**MPN-DC2003**  
PTC Mechanical Fan Heater

- Power: 2000W
- Electronic version
- Temperature adjustment range: 10-49°C
- Child lock
- Auto screen-off after 1 minute
- Intelligent ECO mode
- 3 temperature control settings
- Timer: 24 hours
- PTC + Graphene, suitable for bathroom and living room
- With towel rack
- With washable filter, centrifugal fan wheel
- Electronic temperature sensing, flame-retardant, dual thermostat, IPX1 dust and water resistance
- Material: ABS/PP

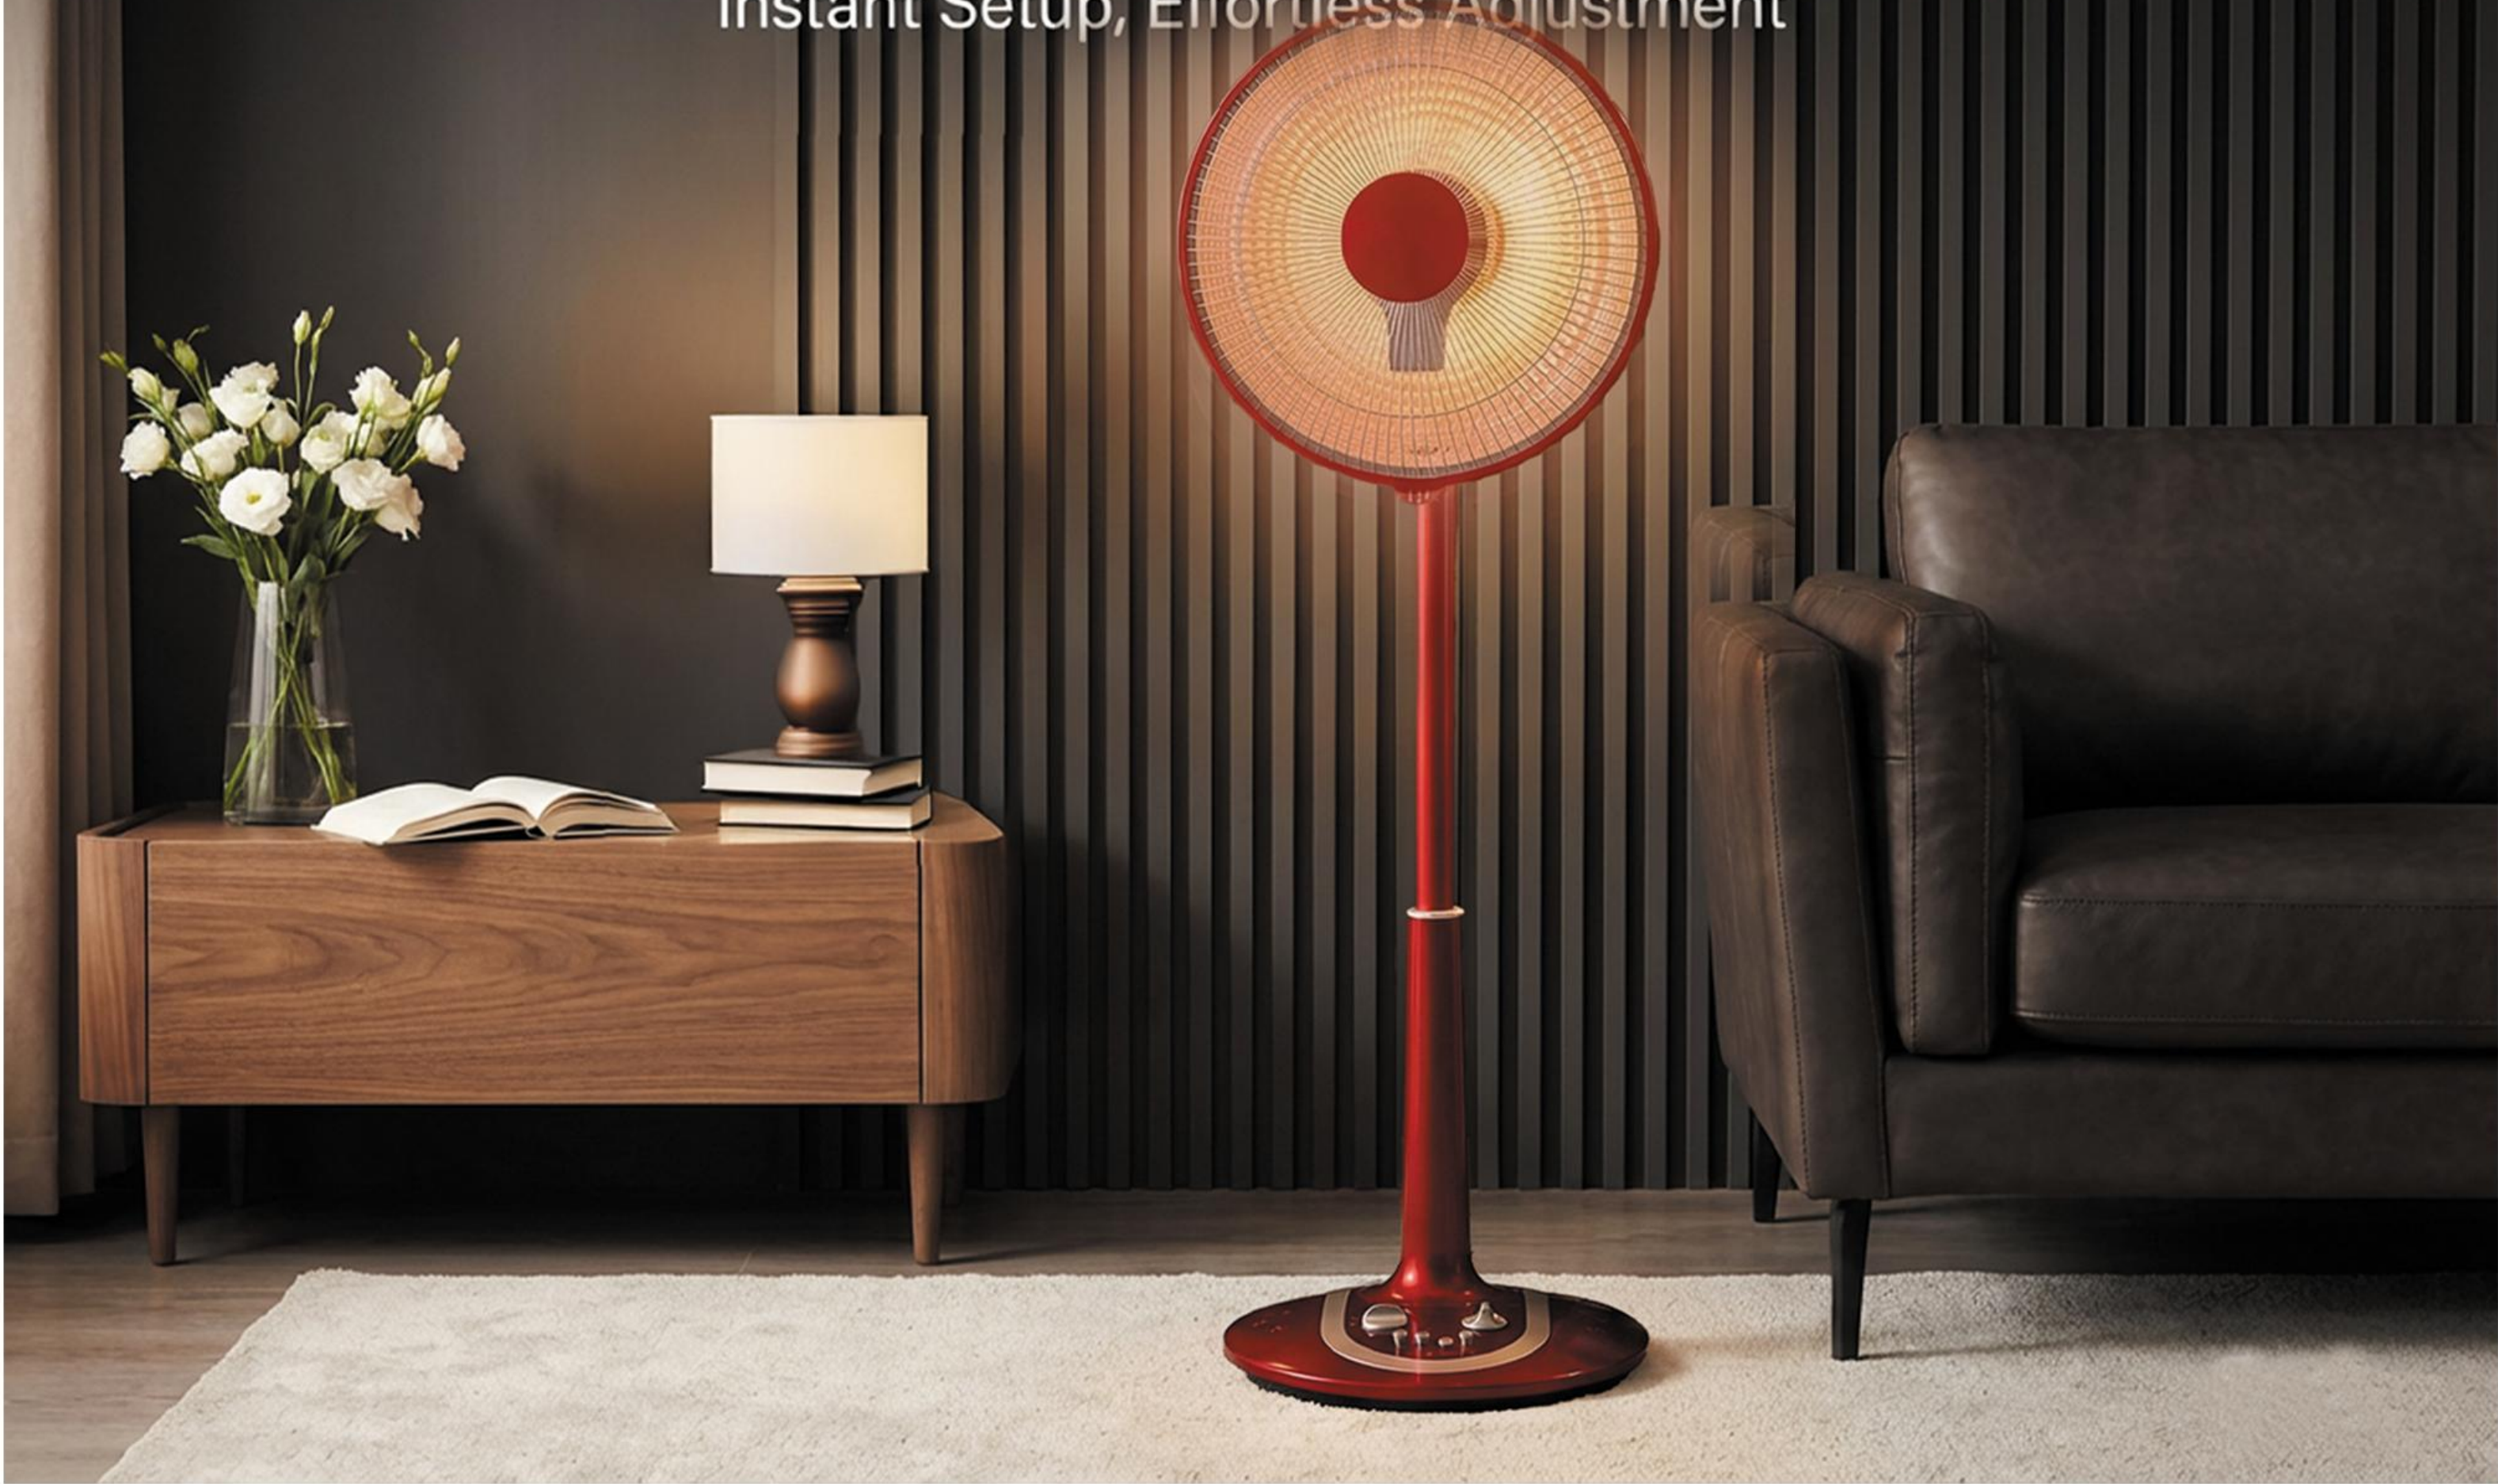

| G.W/N.W(kg) | Product Size(mm) | Package Size(mm) |
